

WALLMOUNT RANGEHOOD 120cm CL6272

- **suitable for alfresco/BBQ areas** - stainless steel wallmount rangehood combines modern elegant canopy design lines, perfect for al fresco/outdoor dining areas.
- **high quality** - 304 grade stainless steel canopy is more durable for an outdoor room or under-cover patio
- **powerful extraction** - 2200m³/hr of airflow, efficient extraction of steam, smoke and 100% odour removal, leaves outdoor kitchen air fresher.
- **3 speed levels** - easy to use push button controls.
- **baffles** - dishwasher safe, commercial grade baffles
